Our folks were reminded that the next meeting is in September and that we will start dues collection for the new club 15-16 year, want to get a club picture (wear cloths you will be happy to see on the website) and that we will begin the club officer election process.
7. We all went out to the field between the tech and elementary buildings to consider how we would be setting up six stations this coming FD. Challenging and exciting at the same time.
8. Discussion held on whether or not to invest club money into a new HF rig. Will it get any use?? Would a radio room night be attended?? More discussion to follow in the new year.

Meeting adjourned at 9:00 pm.
